WENATCHEE FRATERNAL ORDER OF EAGLES NEWSLETTER

IMPORTANT MEMBERSHIP UPDATE:

KEEP YOUR MEMBERSHIP IN GOOD STANDING

As a reminder to all members, there are a few important MEMBERSHIP RULES that are helpful to understand—particularly when membership status changes or when someone wishes to move between the Aerie and Auxiliary. OUR GOAL is simply to make sure everyone understands the process and that our membership records remain accurate.

ANNUAL DUES AND MEMBERSHIP STATUS

Annual membership dues must be paid by May 31 every year to maintain a membership in 'good standing.'

- If dues are not paid by the May 31 deadline, the membership is considered DROPPED.
- Once a membership has been dropped for non-payment of dues, the individual is no longer considered a member in good standing.
- If a former member wishes to return after being dropped for failure to pay dues, they must re-enroll and pay the applicable re-enrollment fee and initiation fee, as required by the Order. (*Importantly, being dropped for non-payment does not mean that a member must go through the initiation ceremony again in the same organization. The initiation requirement comes into play when a member is changing from the Aerie to the Auxiliary, or from the Auxiliary to the Aerie.)*

MOVING BETWEEN THE AERIE AND AUXILIARY

The Fraternal Order of Eagles has specific requirements for members who wish to change their membership from one side of the Order to the other.

A member who is in good standing and wishes to move from the Aerie to the Auxiliary, or from the Auxiliary to the Aerie, must...

1. RESIGN THEIR EXISTING MEMBERSHIP IN WRITING.
2. After resigning, the member must wait twelve (12) months before applying for membership on the other side.

WHAT IF THE PREVIOUS MEMBERSHIP WAS DROPPED?

This is an important distinction.

A member who was dropped for failure to pay dues cannot simply resign a membership that is no longer active. If they later wish to move to the other side of the Order, they must first re-enroll in their previous membership, including payment of the applicable re-enrollment and initiation fees.

AERIE MEETINGS

1st and 3rd Wed. of the month at 7 pm.
(Initiation 3rd Wed.)

AUXILIARY MTGS

2nd and 4th Wed. of the month at 6 pm.
(Initiation 4th Wed.)

Once the membership has been re-established, the member must then resign that membership in writing and complete the required 12-month waiting period before applying to the other side.

Again, a second initiation ceremony is not required merely because a membership was dropped and subsequently re-enrolled. The initiation requirement associated with changing membership applies only when moving between the Aerie and Auxiliary.

THE SIMPLE VERSION: Remember These Basic Guidelines

Pay dues by May 31

→ Remain in good standing.

The Bottom Line

If you miss the May 31 deadline

→ Membership is dropped.

→ Re-enrollment is required to restore membership, along with applicable fees.

Want to move from Aerie to Auxiliary or Auxiliary to Aerie?

→ Be in good standing.

→ Resign your existing membership in writing.

→ Wait 12 months.

→ Apply for membership on the other side.

Previously dropped and now want to move to the other side?

→ Re-enroll in the original membership and pay the applicable fees.

→ Resign in writing.

→ Wait 12 months.

→ Apply to the other side.

These rules are not intended to make membership complicated. They are simply requirements of the Grand Fraternal Order of Eagles that help us maintain accurate records and ensure memberships are processed correctly.

If you are unsure about your membership status or are considering changing from the Aerie to the Auxiliary, or vice versa, please speak with the appropriate Secretary before submitting a new membership application. We are happy to help make sure the proper steps are followed.
