OCTOBER FUN!

Many thanks to Chris and Windy Farley, and their helpers, for creating such a Spooktacular Harry Potter Party, Halloween shindig, and 'Trunk or Treat' event. Well done, folks!

RECRUITING FOR MEMBERSHIP COMMITTEE

Our Aerie relies on the engagement and dedication of its members.

Beginning in September, Secretary Nathan Townsend began recruiting members to join two key committees: the **Finance Committee** and the **Membership Committee**. These committees will provide meaningful opportunities for members to contribute their talents and shape the direction of the Aerie.

Thanks to faithful volunteers, Aerie Auditor Chasity McCrum heads up a Finance Committee to help provide insight and oversight into the financial health of the Aerie.

Now it's time to put together a **Membership Committee** to strengthen our membership by welcoming new members and engaging existing ones.

Expectations:

- Meet once per month
- Propose and plan quarterly membership drives
- Recruit volunteers to support membership initiatives
- Serve as ambassadors for the Aerie and its mission
- Conduct initiation interviews with prospective members
- Educate new members on the benefits of Eagle membership and Aerie activities

Your time, energy, and ideas are essential to the vitality of our organization. If you are interested in serving, Nathan Townsend will be holding an informational meeting on November 17th at 5:30pm in the back of the back of the dining area.

Together, we can build a stronger future for our Aerie!

Club Etiquette and Rule Enforcement

The Aerie By-Laws require certain rules and regulations to be followed.

We all enjoy our local Aerie, and love spending time together with friends and family. In order for the club to continue to run smoothly and be able to offer ongoing events and services, *we must all adhere to our posted rules and by-laws.*

Our members excel at working together to make our club welcoming, safe,

fun and respectful. Even so, there are some rules we all need to remember:

- You **MUST** have your membership card with you at all times due to this being a private club. Please don't be offended if you are asked to show it.
- Bartenders must swipe your credit card if you are starting a tab due to a large number of tabs not being paid at the end of the visit.
- If you are bringing in a guest or non-member spouse, your guest must register. Reminder...non-members may not play gambling games that may have cash winnings.
- No outside food or beverages may be brought into the club. Our club uses proceeds from selling food and drinks to pay the cost of operation and club maintenance.
